In these terms and conditions the term “company” means Mendez Marine, its Instructors or any sub-contracted person. The term “the client” shall mean each person in whose name the booking is made.

- 1) The company will decide how and when any course is run and whether or not the course will go out onto the water. The company’s decision is final.
- 2) Clients provided with equipment such as waterproofs etc are responsible for their safe return at the end of each day. Damage to any item beyond normal wear and tear may render the client liable to either pay for the item in full or to pay an amount to the company as compensation (as determined by the company).
- 3) Course enrolment does not mean that you automatically get a certificate. Students will be trained and debriefed to ensure everyone achieves their potential on the course, but this may not mean that they receive an RYA certificate.
- 4) We welcome feedback, positive or not, as it is an opportunity to improve. Initially, please voice any concerns at the time to the instructor or Principal so that they can be quickly addressed.
- 5) Individuals intending to obtain the International Certificate of Competence (ICC) are advised to check their eligibility by looking at the ICC form on our website or the RYA’s at www.rya.org.uk.

Cancellations:

- 9) In the event of cancellation by yourself prior to the final balance being due, only the deposit is forfeited.
- 10) If cancellation is after the date of final payment, the client is liable to pay the outstanding balance, should we be unable to re-sell the space. At the company’s discretion we may transfer the reservation to an acceptable alternative date.

- 11) We reserve the right to cancel a course should the numbers fail to reach a viable minimum number. A transfer to another course or a full refund of course fees will be made.

Own boat tuition or delivery:

- 16) Tuition / Delivery is provided on the following basis:
 - The vessel is insured by the owner for loss, damage and legal liability to third parties. If the vessel is on delivery they authorize the company to skipper the craft and undertake to secure the consent of the insurers to this agreement
